# DENTAL PLANS

Chapman University offers you a choice between two different dental plans through Delta Dental.

## DeltaCare USA HMO Plan

Under the DeltaCare USA HMO plan, you choose a primary dental provider to manage your care. If you are a new member, Delta will automatically assign a provider to you and your enrolled family members based on your zip code. You can change your dentist by contacting Delta Member Services. With this plan, there are no charges for most preventive services, no claim forms and no deductibles. Reduced, pre-set charges (copays) apply to services.

## PPO Plan

With the PPO plan, you have the freedom to use the provider of your choice, with greater cost savings in-network. PPO providers have agreed to charge members reduced, contracted fees and will file all claims for you. You may also go out-of-network and use Delta Dental Premier dentists or non-Delta dentists but you will have higher out-of-pocket costs.

KEY DENTAL BENEFITS	DELTACARE USA HMO	PPO

# FLEXIBLE SPENDING ACCOUNTS (FSA)

Chapman provides you with an opportunity to participate in the health care and/or dependent care flexible spending accounts (FSAs) administered through WEX.

An FSA is a tax-favored program that lets you set aside money for eligible health care and/or dependent day care expenses. IRS rules allow you to contribute to your account(s) through payroll deductions on a pre-tax basis. The end result is that you decrease your taxable income and increase your take-home pay. Use the [FSA calculator](#) to estimate your expenses and calculate your savings. Here's how the FSAs work:

- 1 You estimate how much you think your health care and/or dependent care expenses might be for the 2023 calendar year (or portion thereof, depending on your effective date of coverage). Then you decide how much you want to put into your account(s), subject to the plan limit.
- 2 Your contributions will be deducted from your paycheck in equal installments throughout the year and deposited into your account(s).
- 3 As you incur eligible expenses throughout the year, fill out an FSA claim form and attach proper documentation and fax, email or mail it to Discover Benefits. Your claim will be processed and you will be reimbursed from your account.

**FSA Debit Card:** For health care expenses, you may also use your WEX FSA Debit Card to pay at the point of sale. You will not be paying out of pocket, so there's no need to fill out a claim form and wait for reimbursement.

## The "Use It Or Lose It Rule"

If you have unused funds in your account at the end of the year, the IRS requires that you claim them—or they will be forfeited.

**GET THE APP!** Use the **Benefits by WEX mobile app** to manage your FSA from your smartphone. Check your account balance, file a claim, upload a photo of your receipt, view account activity, plus much more!

## Health Care FSA

You may contribute **up to the IRS maximum (\$3,050 in 2023)** in pre-tax dollars to cover a variety of eligible health care expenses that are not reimbursed by any other source and are not claimed on your income tax return. You may be reimbursed for expenses incurred by you, your spouse and your children up to age 26. **The entire amount you set aside will be available to use on your coverage effective date.** View the [searchable list of eligible health care expenses](#) to see what kinds of expenses are eligible.

**NOTE:** If you enroll in the PPO + HSA medical plan and elect the health savings account (HSA), you may only participate in the **limited purpose health care FSA**. This type of FSA allows you to be reimbursed for eligible dental, orthodontia and vision expenses while preserving your HSA funds for eligible medical expenses.

## Dependent Day Care FSA

You may contribute **up to the IRS maximum (\$5,000 in 2023)** in pre-tax dollars to cover eligible dependent day care expenses for your children under age 13, as well as adults who are physically or mentally incapable of caring for themselves and are your tax dependents. If you are married and filing separate tax returns, your maximum contribution is \$2,500; if your spouse also participates in a dependent care FSA, your combined contribution for both accounts is \$5,000. **Unlike the health care FSA, funds are available as they are deducted from your paycheck.** View the [searchable list of dependent day care expenses](#) to see what kinds of expenses are eligible.

## LIFE AND AD&D

**Life insurance** provides your named beneficiary(ies) with a financial benefit in the event you pass away. **Accidental death and dismemberment (AD&D) insurance** provides specified benefits for a covered accidental bodily injury that directly causes dismemberment.

If your supplemental life election exceeds the Guarantee Issue Limit, please see an HR Total Rewards Representative to assist you in completing the Evidence of Insurability Form.

Disability insurance provides benefits that replace part of your lost income when you become unable to work due to a covered injury or illness. You are provided with long-term disability (LTD) coverage at **NO COST** to you.

### LONG-TERM DISABILITY

<b>Monthly Benefit</b>	60% of your monthly covered earnings, up to a maximum of \$16,000. Benefit payments are subject to reduction by deductible sources of income such as state disability benefits payments, Social Security and Workers' Compensation. <b>When Benefits Begin</b>	On 91 <sup>st</sup> day of disability.
<b>Maximum Benefit Duration</b>	Benefits will be paid up to a maximum of 24 months. If you are disabled more than 24 months, you will continue to receive benefits if you are unable to engage in any occupation as outlined in the policy.
