

Developing an information portal for PI

Annual Chapman Phytosanitary Irradiation forum

June 2018

Dr. Anuradha Prakash, Dr. Vanida Khumnirdpetch, Ben Reilly, Philippe Dethier

Where did it all start ?

- The idea to **keep discussions ongoing in between Chapman forums** was discussed during last Chapman forum
- Since then, some phone calls took place with **multiple stakeholders**
- One clear need came out of the phone calls :

The need to share key PI information

Phytosanitary portal target and objectives

Why
EDUCATE

Who
NEW - EXPERIENCED

What
PHYTOSANITARY

Research
Growers
Retailers
Irradiation providers
Importers/exporters
Entrepreneurs
Governments Regulators
Consumers

Latest news/updates
Approved products
Trade agreements
Regional specificities
Research update
Regulatory framework
User cases

What kind of portal is needed to accelerate the adoption of PI?

Dr. Anuradha Prakash, Dr. Vanida Khumnirdpetch, Ben Reilly
