

Edward R. Dana, Jr., Ph.D.

Curriculum Vitae

Page 1

**EDWARD R. DANA, JR., Ph.D.**

Assistant Professor

Chapman University

Department of Psychology

One University Drive

Orange, California 92866

Business Address: Chapman University  
Department of Psychology  
One University Drive  
Orange, California 92866

Telephone: (714) 744-7945

Fax: (714) 633-0714

E-mail Address: [eddana@chapman.edu](mailto:eddana@chapman.edu)

## **EDUCATION**

Graduate:                      Ph.D.                                      University of Southern California  
   Social Psychology,                                      Los Angeles, CA  
   Major Departmental Field: Social Cognition  
   1989

   Successfully completed                                      Oklahoma University  
   1<sup>st</sup> Year of Ph.D. Program                                      Norman, OK  
   Developmental Psychology: Experimental/Child

   M.A.                                      Chapman University  
   Developmental Psychology,                                      Orange, CA  
   Developmental Cognition

Undergraduate:              B.A.                                      Dickinson College  
   History                                      Carlisle, PA

## **PROFESSIONAL APPOINTMENTS**

### **Teaching Positions**

1996-Present	Assistant Professor Department of Psychology Chapman University Orange, California
1993 - 1996	Senior Lecturer Department of Psychology Chapman University Orange, California
1991-1993	Adjunct Professor of Psychology Chapman University Orange, California .
1989 – 1991	Instructor Department of Psychology Chapman University Orange, California

**Courses taught:**

Social Psychology

Applied Social Psychology

Sports Psychology

Psychology of Tests and Measurement

Forensic Psychology

Introductory Psychology

Personality Psychology

Industrial/Organizational Psychology

The Motivating Leader in Work, Sports, and Education

The Psychology of Leadership

Child Psychology and lab

Developmental Psychology

Motivation-Emotion

History and Systems of Psychology

Senior Project/ Senior Seminar in Psychological Topics

Independent Study

Duties included the formulation and design of the courses, compilation of relevant readings, and construction of examinations.

1985 – Present

Instructor

Chapman University Academic Center

El Toro, California

- 1983 – 1984            Teaching Assistant
- University of Southern California
- Los Angeles, California
- Courses: Developmental Psychology, Introductory Psychology
- 
- 1983                     Guest Lecturer
- Chapman College
- Orange California
- Courses taught:
- Child Psychopathology, Social Psychology: Self-awareness theory and
- Attributional biases

### **PART-TIME CONSULTING POSITIONS**

- 1995 – Present            Executive Coach
- Duties include the interpretation of personality instruments in both short –
- and long-term executive coaching sessions for mid and upper-level
- executives. Duties also include the formulation of strategic goal setting,
- “game plans,” and intense, interactive one-on-one counseling meetings.
- 
- 1991 – 1992            Management Health and Development, Inc.
- Behavioral Consultant
- Responsible for conducting individual interviews with middle – and
- senior-level executives. The interview and applied sessions were
- structured to ascertain current levels of organizational and personal
- effectiveness. Responsible for planning one- and two-year career
- enhancement programs for both individuals and groups. Duties also
- included implementing strategies for building and improving teamwork,

Research Assistant to Michael Dawson, Ph.D., Experimental  
Psychophysiology

Duties included the operation of physiological measurement instruments  
for GSR, EMG, EEG, and EKG, and the performance of research projects.

1982 – 1985

Chapman College

Research Assistant to Steven Schandler, Ph.D., Experimental  
Psychophysiology

Duties included the design, research, and completion of projects  
examining cognitive processes and information feedback in alcoholics and  
non-alcoholics.

1981 – 1982

University of Oklahoma

Research Assistant to Nancy Mergler, Ph.D., Adult Development

Duties included the research of topical adult cognitive issues.

1978 – 1980

Chapman College

Laboratory Technician to Steven Schandler, Ph.D.

Experimental Psychophysiology

Duties included the operation of physiological measurement instruments

For EMG, GSR, and EEG, implementing research projects, and the  
maintenance of the laboratory equipment.

## **PROFESSIONAL AFFILIATIONS**

1989 – Present	American Psychological Society
1978 – Present	Western Psychological Association

## **AWARDS AND HONORS**

2013	Chapman University Certificate of Gratitude for Teaching
2010	Recognition Teaching Award for Excellence, Gamma Beta Phi Academic Honor Society
2009	Residence Life Faculty Recognition In Appreciation of Service Recognition Teaching Award for Excellence, Gamma Beta Phi Academic Honor Society Chapman University Achievement Award for Excellence in Teaching
2008	Residence Life Faculty Recognition Teaching Award for Excellence
2007	Residence Life Faculty Recognition Teaching Award for Excellence
2006	Alpha Phi Sorority Award for Teaching Excellence Psychology Department Recognition for Overall Teaching Excellence and Contributions
2005	Delta Tau Delta Fraternity Award for Teaching Excellence Alpha Delta Phi Fraternity Award for Male Faculty Member of the Year Selected to Who's Who of American Teachers and Faculty

2004	Residence Life Faculty Recognition Teaching Award for excellence
2001-2003	Selected as Gamma Phi Beta Sorority's Faculty of the Month Award
1982	Chair, Experimental Child Psychology Session, Western Psychological Association, Sacramento, California
1980	Who's Who of American Studies in Colleges and Universities
1979, 1980	Recipient of the Chapman College Outstanding Research Award in Psychology

### **AREAS OF RESEARCH INTEREST**

- Stereotype threat and self-awareness.
- Cognitive biases associated with ethnic stereotypes and age-divergent dating couples.
- Psychological indices of leadership in elite athletes versus non-elite athletes.
- Psychophysiological components of objective self-awareness / information feedback.
- Attributional indices of objective self-awareness / social cognition / social schemata.
- Causal attribution, responsibility and behavior.
- Attitudes toward steroid use and gambling in college students.

### **TEACHING INTERESTS**

Social Psychology

Sports Psychology

Industrial / Organizational Psychology

Leadership and Motivation in Work, Education, and Sports

Introductory Psychology

Psychology of Tests and Measurement

Motivation and Emotion

Child Psychology

Personality Psychology

Senior Project Supervision

Independent Study Supervision

Master's Thesis Supervision

### **SEMINARS TAKEN**

- Stress, Appraisal, and Coping
- Objective Self-awareness and Attribution
- Motivational Components of Persuasion
- Applied Social Psychology: Influencing and manipulation tactics
- Understanding difficult people

### **THESIS**

Thesis Committee, 1996-2004, Whitney Leach, Sherry Leyson, Kecia Watari, and Vanessa Miller, Chapman University and Danielle Heimbuch, Cal State Long Beach

### **CONTRACTS, GRANTS AND RESEARCH AWARDS**

1998            Stereotype Threat and Performance  
Principal Investigator: Edward R. Dana, Jr., Ph.D.  
  
Chapman University  
  
Department of Psychology  
  
Amount: \$500 Research Grant

1977-1980    Life Dynamics, Inc.  
  
Principal Investigator: Steven Schandler, Ph.D.  
  
Co-Investigator: Edward R. Dana, Jr.

Chapman College

Department of Psychology

Amount: \$18,000

## **BIBLIOGRAPHY**

### **Academic Publications**

Dana, E. R., Lalwani, N., & Duval, T. S. (1997). Objective self-awareness and focus of attention following awareness of self-standard discrepancies: changing self or changing standards of correctness. *Journal of Social and Clinical Psychology*, 16, 359-380.

Presson, P. K., Dana, E. R., Schandler, S. L., Mendez, J., & Brannock, J. C. (1997). Coping with ambiguity in multi-ethnic children of alcoholics. *Journal of Social Psychology*, 134, (3), 309-316.

Schandler, S. L., & Dana, E. R. (1983). Cognitive imagery and EMG biofeedback and relaxation applied to college females displaying heightened hostility. *Journal of Clinical Psychology*, 39, 672-681.

Dana, E. R. (1980). The effects of relaxation training procedures on learning grade-school children. Masters Thesis, Chapman College.

### **Business Publications**

Dana, E. R., & Siegel, K. S. (1992). Personal qualities associated with successful management.

Overcoming the obstacles. The Association for Services Management, *High Technology Services Management*., January.
