Late Thesis/Dissertation Defenses and Library Submissions

Students who miss the above stated deadlines for defense/library submission in a given term may have their degrees conferred in the immediate following semester without continuous enrollment in the final term provided:

- They were enrolled as required by the University in the preceding term; and
- Their successful defense is held by the last day of the 2nd week of following fall/spring/summer semester; and/or,
- Their library submission is complete by the last day of the 5th week of the following fall/spring summer semester.

If the library submission is not complete by end of the 5th week of the term, which is the last day to add a Continuous Enrollment course, the student must immediately enroll in the required one credit of continuous enrollment (698A/B or 798A/B) in order to be eligible to continue working toward their degree.
