# Congratulations graduating seniors!! We will be cheering you on in your next adventures!!

"The Honors Program was the foundation which enabled me to build my professional career and intellectual vitality."

"I know that we can win,
I know that greatness lies in you.
But remember from here on in:
History has its eyes on you."

If this is too long, my alternate is:

"I have heart-fire and singing to give, I can tread on the grass or the stars"

-Sara Teasdale, "Joy"

"The goal of education is not to increase the amount of knowledge but to create the possibilities for a child to invent and discover, to create men who are capable of doing new things." -Jean Piaget

## "Damn"

-Carmichael Peters

"Participating in Honors has been absolutely central to my intellectual development, both from a theoretical and pragmatic perspective. Dr. Peters has opened my eyes to what Bruce Springsteen refers to as 'the gap between the American Dream and American reality,' and it's been my goal to try to reconcile the two."

# "Fight me" Carmichael Peters

"I can't, I have crew."

"If I had a dollar for every time I used "interdisciplinarity," my student loans could already be paid off..."

"Death to my previous consciousness"

Me: "Is everything about POCO?"

Justine Van Meter:
"Literally everything is about POCO!"

# "A good capstone is a done capstone"

-Justine Van Meter

"Mice can move mountains. It just takes a lot of time... and a lot of mice"

"Say, yes." -Carmichael Peters

"All you have to decide is what to do with the time that is given to you"

—Peter Jackson

"We sometimes encounter people, even perfect strangers, who being to interest us at first sight, somehow suddenly, all at once, before a word has been spoken."

-Fyodor Dostoyevsky, Crime and Punishment

"Listen to the mustn'ts, child." Listen to the don'ts. Listen to the shouldn'ts, the impossibles, the won'ts. Listen to the never haves, then listen close to me... Anything can happen, child. Anything can be."

-Shel Silversteen

#### "You precious being"

-Carmichael Peters

-The face Carmichael Peters makes when you ask for something and he thinks you're being ridiculous.

## "Interdisciplinarity" -Carmichael Peters

"Do the things that scare you"

"We never know what we don't know, but participation in this incredible honors community has helped me recognize that that's not a bad thing. Life can and should be about growing, recognizing our shortcomings, and becoming individuals more aware of the infinite vastness of knowledge that we can only asymptotically access. If anything, my experience in honors was my first introduction to this incredible vastness."

"and the truth will set you free" (John 8:32)

"It wasn't until late in life that I discovered how easy it is to say, 'I don't know.'"

-William Somerset Maugham

"To sing, to laugh, to dream To walk in my own way and be alone... Free, to travel any road Under the sun, under the stars, nor doubt If fame or fortune lie beyond the bourne-Never to make a line I have not heard In my own heart; yet, with all modesty To say: "My soul, be satisfied with flowers, With fruit, with weeds even; but gather them In the one garden you may call your own."

-Edmond Rostand, Cyrano de Bergerac

"It's gonna be legen- wait for it..."

"The characters in my films try to live honestly and make the most of the lives they've been given. I believe you must live honestly and develop your abilities to the full. People who do this are the real heroes." -Akira Kurosawa

"Hard work is a prison sentence only if it does not have meaning."

"My mission in life is not merely to survive, but to thrive; and to do so with some passion, some compassion, some humor, and style."

–Maya Angelou

"The really important kind of freedom involves attention, and awareness, and discipline, and effort, and being able truly to care about other people and to sacrifice for them, over and over, in myriad petty little unsexy ways, every day."

"Before I am your daughter, your sister, your aunt, niece or cousin, I am my own person and I will not set fire to myself to keep you warm."

"Damn the children!"
-Carmichael Peters

"Because one believes in oneself, one doesn't try to convince others. Because one is content with oneself, one doesn't need others' approval. Because one accepts oneself, the whole world accepts him or her."

-Lao Tzu

"I was named 'The Cynical One' by Carmichael Peters"
