

Online dating

- Never give personal information to people that you don't know (name, home address, phone number, etc.).
- If you decide to talk to someone on the phone don't give out your number; call them and use caller ID block.
- Use a nickname in chat rooms or message boards.
- Meet chat friends in public places and with other friends; take a cell phone with you.
- Never go to someone's room, apartment or house that you just met.
