

**October 18, 2021 update:** Chapman University was awarded, via the ARP Act, a grant in the amount \$7,267,125 dedicated to Emergency Financial Aid Grants directly to students.

A total of 9,629 students received \$7,267,125.

Eligibility was determined by student enrollment status as of October 17, 2021. To be eligible a student must have been enrolled at least half time in the Fall term at Chapman University. Undergraduate students who were eligible for a Pell Grant received additional funding. Graduate-level students who had a \$0 expected family contribution also received additional funding.

Emails were sent to all eligible students prior to their disbursement from Student Business Services.

Disbursements began the week of October 18, 2021. Disbursements were made directly through Student Business Services and was refunded to the student based on the options they had previously selected for refunds. Funding was not held for previous or current balances or outstanding student obligations.

All students were emailed information about their right to appeal their Title IV eligibility should they be experiencing financial hardship. Undergraduate students received an email on November 30, 2021 and graduate-level students received an email on November 30, 2021.
