Medicine, Science and Making Race in Civil War America with Leslie Schwalm

Book signing to follow the event

Wednesday, October 18, 2023
4:00 p.m.

Location:
Argyros Forum 209AB

Drawing on archives of the U.S. Sanitary Commission, recollections of Civil War soldiers and medical workers, and testimonies from Black Americans, Leslie A. Schwalm exposes the racist ideas and practices that shaped wartime medicine and science. Painstakingly researched and accessibly written, this book helps readers understand the persistence of anti-Black racism and health disparities during and after the war.
