## United in Anger: A History of ACT UP

Thursday, November 30, 2023 | 2:30p.m.

Join FFC 100 "Silence Equals Death" Stigma, Health and Resistance for a discussion moderated by Professor Joshua Liashenko

United in Anger: A History of ACT UP is an inspiring documentary about the birth and life of the AIDS activist movement from the perspective of the people in the trenches fighting the epidemic. Utilizing oral histories of members of ACT UP, as well as rare archival footage, the film depicts the efforts of ACT UP as it battles corporate greed, social indifference, and government neglect.
