

ENGAGING THE WORLD

LEADING

the conversation on

Health Equity

LECTURE SERIES

Partnering with Community to Nurture Health Equity

Dr. Anagad Singh will share lessons learned from community-centered approaches to addressing health disparities, from forming the Punjabi Health Board to hosting large-scale vaccination events.

Promoting Health Equity from Pediatrics to Mentorship

Dr. Jasjit Singh will explore pediatric health disparities highlighted by the pandemic, the need to embed equity in teaching, and how providers can mentor future generations to advance equity.

Health Equity Challenges and Solutions

Dr. Gurpreet Ahuja will discuss health inequities faced by patients and providers, including women, and offer solutions to advance health equity.

**Health Equity:
Lessons from the Field**

**Tuesday, September 12, 2023
5:00 p.m.**

Location:

Fish Interfaith Center

Moderated by Dean Janine Hill, Ph.D.
