**Film Discussion:**

Tuesday, October 18, 2022

4:50 p.m.

**Discussion Zoom ID:** 716-020-2303

The Young Lords Party was a militant Puerto Rican civil rights organization based in New York. Today, many of their leaders are notable mainstream journalists, including Juan Gonzalez, Felipe Luciano, and Pablo Guzman. Iris Morales makes history come alive as veterans of the movement recall their fight for equality, jobs, health care, and education.
