

HOW TO COMPLETE THE GRADUATE INTERNATIONAL STUDENT SUPPLEMENT FORM

WHAT IS THE INTERNATIONAL STUDENT SUPPLEMENT FORM, WHO NEEDS TO COMPLETE IT AND WHEN DO I SUBMIT IT?

What is this form? The International Student Supplement Form provides Chapman University with information about your country or countries of citizenship, current and anticipated visa status, as well as passport information. For students expecting to hold an F-1/J-1 Student Visa, the International Student Supplement Form also provides Chapman University with required sponsorship information and financial verification.

Who needs to complete this form? All international students, regardless of visa type must submit a completed International Student Supplement Form. US Citizens, Permanent Residents (Green Card holders), those who have been granted refugee or asylee status, and DACA students do not need to submit this form.

When do I need to submit this form? This form will be required once you have been admitted and submitted your enrollment deposit to the university. The International Student Supplement Form is available on your Chapman portal once your acceptance has been posted.

IF YOU ARE PLANNING TO ENROLL AT CHAPMAN UNIVERSITY ON AN F-1 OR J-1 STUDENT VISA,
