Accepting Applications for 2014-2015 CSO Student Advisory Board — Deadline: Monday, April 14

The Career Services Office is now accepting applications from students who would like to join its Student Advisory Board for 2014-2015. The CSO invites interested and enthusiastic 1Ls and 2Ls to apply who want to assist with creating more job opportunities for Fowler Law School students and who can act as a bridge between the CSO office and student body. Sharing your experiences with the CSO helps us to shape Career Services programming so that we can do a better job of meeting the current needs of our students.

Serving on the CSO Advisory Board is also a great way to build your resume by demonstrating leadership and service. Our student advisors have been and continue to be an important part of the Career Services Team. Their ideas and insights have led to innovations in communication, such as the creation of The Class scoffets and have been the inspiration of new events and programs. The time commitment is very manageable. The Student Advisory Board meets with the office quarterly during the school year and must attend at least two CSO-sponsored events/programs each semester. Please apply by Monday, April 14.

Use Of Rooms For Student Study

Students may use unoccupied classrooms for study purposes. However, students must leave the classroom prior to the commencement of any class and also may not enter a classroom that is being used for instruction. Entering a classroom in which a class is ongoing and sitting in the back to study is disruptive and is not respectful to the professor and/or class members. The mediation clinic may not be used for instruction. The trial and appellate courtrooms are not available as study areas. These rooms are needed for classrooms, moot court and competition team practices and the level of interruptions by students seeking to study in the room has required this change. While this news will undoubtedly be disappointing to some, please remember that the law library has a wide variety of student spaces available for students.

Law Library Lifts Food Ban

Food is now allowed in the Law Library. We ask only that you continue to keep the Library clean for your fellow students. Thank you for your anticipated cooperation.

2014-15 Financial Aid

If you have not already done so, please complete your 2014-15 FAFSA (Free Application for Federal Aid) as soon as possible. Returning students will not receive award letters until the end of April. Scholarships with GPA renewal stipulations will not be added to financial aid awards until after spring grades are posted in June. Students who renewed their merit scholarships will have their award eligibility reviewed at that time.

Dean Adelizi’s Departure

Assistant Dean of Career Services Suzanna Adelizi has informed Dean Campbell that she will be leaving the law school as of the end of June. Dean Adelizi and her family are relocating to the Houston, Texas area to be closer to family there. Our school benefitted greatly from her energy, attention to detail, optimism, and unflagging devotion to the goal of finding jobs for our students. As an alumna of our law school herself, Dean Adelizi was the embodiment of why employers should hire our students. Please stop by the Career Services Office to thank Dean Adelizi and wish her good luck as she and her family begin a new chapter in their lives.
