Important Message Regarding Library Use
Students are not permitted in the Law Library for any reason during hours when the Library is closed. If you enter the Library and do not see any personnel, the Library is closed. Please leave immediately and pull the door closed tightly behind you. If the door is unlocked, please notify Public Safety at (714) 997-6763 and ask them to come lock the Library doors. After hours use of the library poses several security and liability risks and is a violation of the University Conduct Code. This policy will be strictly enforced, and the Law Library has 24/7 security cameras that will allow the University to identify violators. Be smart and help us keep everyone safe. Do not enter the Law Library after hours, and please report any unlocked doors to Public Safety. Thank you for your anticipated cooperation.

We’re in This Together!

The Other Bar is a network of recovering lawyers, judges and law students throughout the state, dedicated to assisting others within the legal profession who are suffering from alcohol and substance abuse problems. The organization is founded on the principle of anonymity and is completely unrelated to the discipline system of the State Bar of California. In fact, many Other Bar participants have no discipline problems at all. Members meet simply to share their struggles and triumphs and support one another.

Chapman Law now has a student chapter of The Other Bar. Any student who is in recovery, has had a DUI or other substance-related criminal charge, or is simply questioning whether they have a healthy relationship with alcohol is welcome to attend. Also, anyone who needs their court card signed to show that they have attended a meeting can do so by participating in The Other Bar. The group will meet every Monday from 12 to 1 p.m. beginning Monday, September 10 at a location outside the law school. Rest assured that your identity will remain anonymous. Those involved take confidentiality very seriously.

For meeting location information, please email otherbar@chapman.edu.
