To enjoy your Leatherby Libraries privileges, here are the circulation services policies to inform and guide you!

Affiliated scholars should work with their department to request library privileges through the Library Administration office. Upon approval by Library Administration, complimentary library privileges will be issued. Library privileges will be set to expire based on the length of time approved by Library Administration.

An affiliated scholar's Chapman University ID card is required in order for the library to perform any circulation transactions. The University ID may only be used by the person to whom the ID is issued and is not transferable. Affiliated scholars can also display a digital barcode using the MyLibrary! application in place of their Chapman University ID. No other form of identification will be accepted.

For username, password, blackboard access, e-mail access, or other technical support questions students can contact the IS&T Service Desk at (714) 997-6600 or email servicedesk@chapman.edu.

All Library notifications are sent to University issued Chapman email accounts.

Affiliated scholars are responsible for all items checked out on their library account.

Report any damage (torn pages, highlighting, water damage, writing, etc.) to items or missing media at checkout to avoid being held responsible.

A receipt will be emailed at the time of checkout indicating a due date for borrowed items. You can view your checked out items by accessing their [library account](#) on the Leatherby Libraries website or use the MyLibrary! application.

Any outstanding balance due or overdue item on your library account may prevent you from renewing or borrowing additional items.

Return all items to the library from which they were borrowed (Leatherby Libraries, Hugh & Hazel Darling Law Library, or Rinker Health Sciences Study Commons). Items are not considered returned until they reach their correct destination. Book drops are located outside of the building and inside the lobby of the library for your convenience. The outside book drop is accessible 24 hours a day.

Affiliated scholars wanting to utilize the reservable study spaces in the Leatherby Libraries must register for a Study Space Reservation account. To register for an account, please visit the Circulation Department in person. For more information about reserving study spaces, please visit the Leatherby Libraries website.

Course Reserves

Course Reserves are physical supplemental materials provided by faculty or materials pulled from the library collections in support of course curricula. These items are identified as high-demand and circulate with a limited checkout period. For more information on [course reserves](#), please visit the library website.

Interlibrary Loan

The interlibrary loan service allows you to borrow books and journal articles from other lending institutions. For more information, please visit the [Interlibrary Loan](#) website.

Proxy Borrower

Affiliated scholars may designate a departmental, student, or graduate assistant to serve as a proxy borrower. Proxy borrowers will be authorized to conduct library business on your behalf. To complete a proxy borrower request, submit a request form to the circulation department. For more information about designating a [proxy borrower](#), please visit the library website.

Item Paging and Placing Holds

Affiliated scholars can request an item to be paged from the library circulating collections by submitting a request in the catalog. If the item needed is currently checked out, submit a request in the catalog to be added to the hold queue. Once the request has been processed, you will be notified when the item is ready to be picked up. Items are held at the Circulation desk for 3 days. If the item is not picked up within the 3 day hold period, the item will be moved to the next person in the queue or returned to the library collections.

To request an item, locate the item in the library catalog then click on the “Place a Hold” link at the top of the page. You will need to enter your name, Chapman ID number, and PIN to place the request. Please note that place a hold feature does not function for Limited Access items.

Renewals

You can renew most items in person, by accessing your library account online, utilizing the MyLibrary! application, or calling the Circulation department at (714) 532-7723. Items cannot be renewed if they have reached a maximum renewal limit or are requested by another patron.

You are responsible with keeping track of all due dates when renewing online; only system posted due dates are valid.

Recalls

Items needed for Course Reserve can be recalled at any time and must be returned immediately. If an item is recalled, an email notifying the current borrower of the recall will be sent including an adjusted due date. Failure to read the notification email does not remove your responsibility for returning the item by its new due date.

Billing and Payments

You do not incur overdue fines for items returned late. However, you will receive email notices as a reminder to return overdue items. Please return the items promptly or contact the circulation department for renewal.

Upon receipt of a bill for an item, you have 30 days to resolve the balance due by returning the item, renewing, or paying for replacement. Failure to resolve the balance due within the 30 day period will result in a suspension of library borrowing privileges until the matter is resolved.

Replacing Billed Items

You may choose to replace a billed item by purchasing a replacement copy. You must notify the circulation department that you are opting to do so; in some cases purchasing a replacement copy will not be an option. The replacement copy must match the billed item's ISBN and must be in new or almost new condition. If the purchased copy is accepted for replacement, the replacement fee will be removed.

Refunds

When you return an item that was paid for as lost, you can be credited for the item cost. This can only occur if it is within 30 days of the payment date and the item is not damaged. A refund check crediting the item cost will be mailed. After 30 days from the original payment date, you can no longer be credited for returning a lost & paid item.
