

Gloriajean Wallace, Ph.D., M.Div., CCC-SLP, BC-ANCDs
Fellow, American Speech-Language-Hearing Association
glwallace@chapman.edu

Ph.D. – Northwestern U., Evanston, Ill, Sept. 1977 - June 1981, **Specialty:** Speech-Language Pathology
Adult Aphasia, **Dissertation:** Comparative Performance of Severely Aphasic Individuals in the
Comprehension, Repetition, Naming, and Reading of Personally-Relevant Language Versus Non-Personal
Language

M.A. – University of Colorado, Boulder, CO, Sept. 1974 – June 1976, **Specialty:** CSD/Child Language, **Master’s
Research:** An Analysis of the Performance of Chicano Children on the Fluharty INREAL Preschool
Screening Test.

B.S. – Miami University, Oxford, OH, Sept. 1970 - June 1974, **Specialty:** Speech-Language Pathology

(Seminary Degrees: Promoting Inter-Professional Collaboration with the interfaith and general communities)

M.Div. – United Theological Seminary, Dayton, OH, Jan. 2014 - May 2016, **Specialty:** Pastoral Care

Certification & Ordination – The New Seminary for Interfaith Studies, NY, NY, 2010 –2011 (accelerated graduate program)
Specialty: Pastoral Care in Interfaith Settings

Speech-Language Pathology Work-Related Experience

PROFESSOR CHAIRPERSON January 2022 - present
Chapman University
Department of Communication
Sciences and Disorders
Harry and Diane Rinker Health Science Campus
Irvine, CA

**ENDOWED PROFESSOR, CHAIRPERSON
AND GRADUATE PROGRAM DIRECTOR** July 2019 – Dec. 2021
Xavier University of Louisiana
Speech Pathology Department
New Orleans, LA

PROFESSOR AND CHAIR August 2017 - May 2019
Howard University
Department of Communication Sciences and Disorders
Washington, D.C.

PRESIDENT & CEO September 2016 - present
Global Communication Accessibility Network
(Global CAN)
Cincinnati, Ohio

PROFESSOR EMERITA January 2010 - present
University of Cincinnati (U.C.)
Dept. Communication Sciences and Disorders
Cincinnati, OH

TENURED PROFESSOR University of Cincinnati (U.C.) Dept. Communication Sciences and Disorders (CSD) Cincinnati, OH	September 1996 – December 2009
ADJUNCT GRADUATE PROFESSOR University of Hawai'i, Dept. Communication Sciences and Disorders Honolulu, HI	2014 - present
PRN SPEECH-LANGUAGE PATHOLOGIST Cincinnati, Ohio	1996-2009
SUMMER VISITING PROFESSOR University of Hawai'i Dept. of Communication Sciences & Disorders Honolulu, Hawai'i	1993-1996; 2000 – 2006
TENURED PROFESSOR University of Tennessee (UT-K) Dept. of Communication Sciences and Disorders Knoxville, TN	August 1993 – August 1996 (Full Prof) August 1989 – July 1993 (Assoc. Prof) Tenured in 1993
CONSULTANT Great Starts (Caregiver training for mothers of children with exposure crack-cocaine) Knoxville, TN	1993-1995
ASSISTANT PROFESSOR Michigan State University Dept. Communication Sciences and Disorders East Lansing, MI	1984-1989
INSTRUCTOR Lansing Community College Lansing, MI	1987-1988
POST DOCTORAL FELLOW/ ACTING DIRECTOR OF THE EARLY CHILDHOOD LANGUAGE LABORATORY University of Arizona Tucson, AZ	1983-1984
LECTURER San Diego State University Dept. Communication Sciences and Disorders	1982-1983

San Diego, CA

ASSISTANT PROFESSOR 1981-1982

University of Hawai'i
Dept. of Communication Sciences and Disorders
Honolulu, HI

Other Professional Experience 1977-1981 (part-time)

SPEECH-LANGUAGE PATHOLOGIST (SLP) CONSULTANT, Dept. Mental Health, Chicago, IL
(Part-time while pursuing doctorate) 1/1980 – 5/1981

SPEECH-LANGUAGE PATHOLOGIST, Visiting Nurses Association, Evanston, Ill (20 hours/wk)
(Part-time while pursuing doctorate) 11/1980 – 3/1981

SLP V.A. DOCTORAL TRAINEE, North Chicago V.A. Hospital, North Chicago, Ill (25 hours/wk)
(Part-time while pursuing doctorate) 10/1978 - 8/1979

RESEARCH AND TEACHING ASSISTANT, Northwestern U., Evanston, Ill (15 hours/wk)
(Part-time while pursuing doctorate) 9/1977 – 6/1980

SPEECH-LANGUAGE PATHOLOGIST, Columbus Speech and Hearing Center, Columbus, OH (40 hours/wk)
(Clinical Fellowship Year; CFY) 9/1976-9/1977

SPEECH-LANGUAGE INTERN, Fitzsimmons Army Hospital, Denver, Colorado (40 hours/week)
(Full Time Master's Student Intern, 2 semesters) Sept. 1975 – May 1976

SPEECH-LANGUAGE INTERN, Colorado Public Schools, Denver/Boulder, Colorado (40 hours/week)
(Full Time Master's Student Intern, 1 semester) 1975.

Teaching and Clinical Areas (graduate and undergraduate)

Neuroanatomy and neurophysiology (graduate course)
Adult aphasia (graduate course)
Motor speech disorders (graduate course)
Introduction to Communication Sciences and Disorders (undergraduate course)
Clinical supervision -medical and neuro related cases; on-campus and medical off-campus sites
Development of an Adult Aphasia Support Group to promote full life participation for people with aphasia -
“APHASIA (All People Have A Say If Accommodated”)

Also,

Special Topics (undergraduate course)
Independent Studies (graduate and undergraduate)
Thesis and in lieu of thesis (graduate course)
Undergraduate honors project (undergraduate course)

Phonetics
Anatomy and physiology
Traumatic brain injury
Dysphagia
Doctoral seminars
Doctoral dissertation direction

Current Professional Certification, License, and Board Certification

Certified (CCC-SLP, ASHA 00676239), American Speech-Language-Hearing Association (ASHA)
Board Certified (BC), Academy of Neurologic Communication Sciences and Disorders (ANCDS)
Ohio License to practice Speech-Language Pathology (SP01901)
District of Columbia (D.C.) License to practice Speech-Language Pathology (SLP001145)
Hawaii License to practice Speech-Language Pathology (SP-308)
Louisiana License to practice Speech-Language Pathology (LA-8426)

Key Professional Memberships (Past and Present)

American Speech-Language-Hearing Association (ASHA) *Leadership and participation on numerous ASHA committees, including elected Steering Committee Member for SIG 2.

Current member of SIG 2, (Neuro Com Dis), SIG 10 (Issues in Higher Education), SIG 12 (Aug and Alt Com), SIG 14 (Cult and Ling Div.), SIG 15 (Gerontology), SIG 17 (Global Issues), and SIG 18 (Telepractice).

American Speech-Language-Hearing Association Foundation (ASHFoundation) Ambassador – support ASHA Scholarship and grant fund raising

California Speech-Language-Hearing Association (CSLHA)

Ohio Speech-Language-Hearing Association (OSLHA)

Hawaii Speech-Language-Hearing Association (HSLHA)

Louisiana Speech-Language-Hearing Association

New York Speech-Language-Hearing Association (NYSLHA)

National Black Speech-Language-Hearing Association (NBASLH) (Neuro-SIG member; 2020 Praxis Review Course Instructor, 2017 Convention Program Committee Proposal Reviewer; former board member x2 cycles, and founding member of organization's neuro-special interest group

Academy of Neurologic Communication Sciences and Disorders (ANCDS) (*Also ANCDS Board certified)

-Former board member x2, membership committee chair, established the organization's Fall Conference student fellowship awards, and recipient of the 2016 Special Recognition for Leadership and Contributions to Neurogenics Award)

Aphasia Access - Member of the Diversity in Education and Inclusion (DEI) Task Force

Aphasia United – Advisory Council Member, Member of the Best Practices Task Force, and Diversity Taskforce

National Aphasia Association (NAA) – *Affiliate/Representative, and Member Multicultural Committee*

Association of Clinical Pastoral Education (ACPE) member

American Academy of Religion (AAR) member

Association of Professional Chaplains (APC)

Service as Manuscript Reviewer

Hawaii Journal of Medicine
Aphasiology
Archives of Physical Medicine and Rehabilitation
Journal of Speech Pathology
Schizophrenia Research
ASHA SIG Divisions 2 & 12
Advisory Board SpeechPathology.com
Journal of Disability and Religion

Service as Grant Reviewer

Department of Education
University grants - various universities (Dept., College, and University levels)

Honors and Awards

- Awarded Tenure and Mass Communications Endowed Professor with stipend by Xavier University of Louisiana (XULA), 2019
- Awarded Tenure (upon joining the faculty) and Invited to apply for WOC Inter-disciplinary appointment, Howard University School of Medicine, Washington, D.C., 2017
- Appointed Professor Emerita, University of Cincinnati, January 1, 2010
- Awarded Tenure, University of Cincinnati, 1996
- Awarded Tenure, University of Tennessee-Knoxville, 1993

- Academy of Neurologic Communication Disorders and Sciences (ANCDS) 2016 Special Recognition for Leadership and Contributions to Neurogenics Award, presented at the ANCDS Fall luncheon, November 2016.

- WOW Award, Award for Outstanding Pastoral Care (based on patient report), Awarded by the Cincinnati V.A. Medical Center, Cincinnati, OH, November, 2016.

- University of Cincinnati College of Law, 2016 Entrepreneurship and Community Development Clinic (ECDC) Award, September 2016.

- Full Scholarship awarded by United Theological Seminary for Masters of Divinity (Pastoral Care emphasis) from Jan 2014 – May 2016

- Presentation of Sermon for the Commencement Day Ceremony (*With mention of May Better Hearing and Speech Month and “aphasia”), United Theological Seminary, Delivered at Ginghamburg Church, Tipp City, Ohio, May 20, 2016.

- William and Carolyn Anderson Applied Theology Award. Given for a paper submitted in competition that demonstrates critical thinking on theological issues applied to contemporary social concerns (Inter-Professional Collaboration with Speech-Language Pathology). Presented at the Graduation Ceremony, United Theological Seminary, Ginghamburg Church, Tipp City, Ohio, May 20, 2016.

- Highlighted Poster Recognition, National Black Association of Speech-Language-Hearing (NBASLH) for 2016 Poster on topic of oral facial anomalies among underserved populations in rural parts of Africa and other international areas.

- ASHA, 9th Award for Continuing Education (ACE) (*Current from 11/2015 – 11/2018), awarded 1/27/2016.

- Christ Hospital R.I.T.E. Award (Recognition for Outstanding Pastoral Care (based on patient report), Awarded by Christ Hospital, Cincinnati, OH, November, 2007.

- U.C. Martin Luther King Award for Special Service Contributions to the University, 2003.

-Linda Campbell Distinguished Lecturer, Dept. of C. & Sc., St. Louis U., St. Louis Missouri, 2002.

-ERRIS Grant Writers Workshop Fellowship Award, 2002.

-Robert Woods Johnson Health Care Policy Fellowship Research Fellowship Finalist (one of twelve semifinalists for this competitive program whose participants are primarily comprised of physicians from the United States and abroad), 2000.

-University of Cincinnati Sponsored Research Office Grant Writers Fellowship Award, 2000.

-Scholar/Mentor Award, National Black Speech-Language and Hearing Association, (highest award of the association) 1999.

-University of Cincinnati Library Guild (Recognition of 2 textbook publications), 1998.

-University of Tennessee Chancellor's Award for Teaching Excellence, 1995.

-Fellow, American Speech-Language-Hearing Association, 1992.

Published Books

Wallace, G. (ed.) 1997. *Multicultural Neurogenics*. Psychological Press: San Antonio, TX.

Wallace, G. (ed.) 1996. *Adult Aphasia Rehabilitation*. Butterworth Heinemann: Boston, MA.

Book Proposal Accepted; Book Currently in Preparation

Wallace, G. Cultural Competence in Adult Neuro-Rehabilitation: Community-Based Approaches for Speech-Language Pathologists. In preparation for Plural Publishers; to be published in Spring 2022.

Assessment System Under Development

Wallace, G. (Dynamic assessment system under development) Reliable Assessment Inventory of Neuro-Behavioral Organization (RAINBO). Test stimuli, test forms-graphs-charts, yes/no response training program, general manual, and manuals for each of twelve assessment modules and screening test.

Peer Reviewed Manuscripts in Preparation

Developing a "Covenant" that is Sensitive to the Cognitive, and Communication Needs of a Traumatic Brain Injury Support Group: Practical Applications. 2 hour Invited Presentation (Part II), including facilitation of TBI group covenant -as a follow-up to November 2015 Presentation Part I). Drake Rehabilitation Hospital Mild TBI Support Group, Cincinnati, OH, February 2, 2016.

Wallace, G., and Gordon, J. 2016 (accepted) Revolutionizing Healthcare for Life Participation: It's a Matter of Faith. Miniseminar accepted for presentation at the National Black Association of Speech-Language Hearing (NBASLH) Convention, Virginia Beach, VI, April 2016.

Wallace, G. and M. 2016 (accepted) Exploring Cleft Palate in the Continent of Africa. Poster session accepted for presentation at the National Black Association of Speech-Language-Hearing (NBASLH) Convention, Virginia Beach, VI, April 2016.

Centeno, J., Harris, J., Kong, A. P., Penn, C., & **Wallace, G.** 2015. International Perspectives on Services with Neurologically-impaired Adults in Culturally Linguistically Diverse Populations. Miniseminar presented at the American Speech-Language-Hearing Association Convention. Denver, CO, November 2015.

Wallace, G. 2015. Group Covenants: What They Are, Their Use in Building Trust and Enhancing Group Effectiveness, and Potential Benefits for Use with Traumatic Brain Injury Support Groups. 2 hour Invited Presentation Part I. Drake Rehabilitation Hospital Mild TBI Support Group, Cincinnati, OH, November, 2015.

Wallace, G., Wiener, Diane, Martinez, Molly, Wilson, Yvette, Kemp, Kendrick, West, Cornel, Niang, Aliou, Ewell, Russell, & Elliot, Alice, et al. 2015. Black Liberation Theology and Disability (Stroke and Aphasia Within the Context of the African American Community). Panel presentations at the Black Liberation Theology of Disability Symposium, Part I & Part 2. Union Theological Seminary, NY, NY, October 2015.

Wallace, G. 2015. Pastoral care of Veterans with Communication and Swallowing Impairments. Invited 2 hour lecture (Part 1 & Part 2). Cincinnati Veteran's Hospital Chaplaincy Department, Clinical Pastoral Education Leadership Class, Cincinnati, OH, September 2015.

Kemp, K., **Wallace, G.**, and Ewell, R. 2015. Black Liberation Theology and Disability (of Stroke and Aphasia). Round table presentations & discussions. Summer Institute on Disability & Theology, Atlanta, GA., May 2015.

Wallace, G. 2015. Providing Pastoral Care to Veterans with Communication and Swallowing Impairments. Invited 1 hour lecture. Cincinnati Veteran's Hospital Chaplaincy Department, Clinical Pastoral Education Leadership Class, Cincinnati, OH, April 2015.

Wallace, G. 2014. Use of the Reliable Assessment Inventory of Neuro-Behavioral Organization (RAINBO) to Support Adults with Chronic Aphasia. Presentation at the International Aphasia Rehabilitation Conference (IARC), The Hague, Netherlands, June 2014.

Wallace, G. 2014. Educating Church Congregants about Adult Aphasia and Communication Partnering with People who Have Aphasia. Invited poster session, educational booth, and speaker's forum, American Heart Association Have Faith in Heart Program sponsored Health Fair event, Cincinnati, OH, March 2014.

Wallace, G. & Bucher. 2014. Impact of Personalized Management on Patient Centered Outcomes for a Bilingual Adult with Moderate Aphasia. Miniseminar presentation, Ohio Speech-Language-Hearing Association, Columbus, OH, March 2014.

Wallace, G., Bucher, L., and Ulloa, C. 2014. In My Own Voice: A Story of Stroke and Aphasia with Assistance from Coaches. Poster presentation. Ohio Speech-Language-Hearing Association, Columbus, OH, March 2014.

Wallace, G. 2014. Effective Communication Partnering Tips: Information for Family and Friends of People who Have Alzheimer's Disease, Invited Key Speaker (3 hour symposium). Alzheimer's Association Greater Cincinnati/Northern Kentucky Event, KY, February 2014.

Wallace, G. 2013. Communication Quality of Life and Life Participation Among People with Chronic Traumatic Brain Injury. Invited presentation to the Neurology/Neurosurgery section of the National Medical Association. National Medical Association Convention, Ontario, CA. (July).

Wallace, G. 2013. Being the Best Communicator You Can Be: When Your Loved One Has Alzheimer's disease. Invited 2 hour presentation. Alzheimer's Association, Regional Professional and Caregiver Conference, Covington, KY (August).

Wallace, G. 2012. Open Conversation for People with Aphasia, Family, & Friends. Invited 1 ½ hour presentation. Regional Support Group, Drake Foundation, Cincinnati, OH. (June)

Wallace, G. 2012. Open Conversation for People with Aphasia, Family, & Friends. Invited 1 ½ hour presentation. Regional Support Group, Drake Foundation, Cincinnati, OH. (June).

Wallace, G. 2007. The Power of Plasticity: Nurturing the Brain's Potential for Recovery after Stroke and Aphasia. Invited paper presented to the Neurology and Neurosurgery Section, National Medical Association (NMA) Convention, Honolulu, HI.

Wallace, G. 2006. WHO ICF-based Outcomes Profiling for People with Chronic Non-fluent Aphasia. Miniseminar presented at ASHA Convention, Miami, FL.

Wallace, G. 2006. Extending Spiritual Care to Patients Who Have Communication Disorders: Information for Hospital-Based Chaplains. Invited Workshop Presented to Pacific Island Health Ministry. Honolulu, HI (June).

Wallace, G. 2005. A Discussion of the Mechanism of Blast Injuries, and Resulting Clinical Profiles. Invited paper presented to the Neurology and Neurosurgery Section. NMA Convention, New York, NY.

Wallace, G. 2005. Clinical Evidence Supporting Brain Plasticity in a Person with Chronic Severe Nonfluent Aphasia. Cincinnati Translational Neuroscience Symposium, Cincinnati Neurofest, University of Cincinnati, Cincinnati, OH.

Wallace, G., and Betts, D. 2005. Impact of Context on Dysphagia Management. Poster presentation. Ohio Speech-Language-Hearing Convention, Columbus, OH.

Wallace, G., and Breen, P. 2004. Developing Clinical Leadership Skills Among SLP Students from Diverse Backgrounds. Miniseminar presented at the ASHA Convention, Philadelphia, PA.

Wallace, G., Creaghead, N., Yates, J. Masterson, J., Melcher, J., and Johnson, I. 2004. University of Cincinnati's IP-DLE-3 Innovative Doctoral Training Program. Miniseminar presented at the ASHA Convention, Philadelphia, PA.

Wallace, G. 2004. Innovative Approaches for Increasing the Number of SSPs with Ph.D. Credentials. Invited panel discussion at the ASHA Town Hall Meeting. ASHA Convention, Philadelphia, PA.

Wallace, G. 2004. Multicultural Issues in Aphasia for the Professional. Invited short course. National Stroke Association (NSA), Tampa, FL.

Wallace, G., Niels-Strunjas, J., Ball, A., and Kelchner, L. 2004. Enhancing Functional Outcomes after Acquired Neurological Impairment Using a WHO ICF Based Approach. Miniseminar presented at the Ohio Speech-Language-Hearing Association (OSLHA) Convention, Columbus, OH.

Wallace, G. 2004. Aphasia Treatment for Providers: Evidence from Chronic and Severe Aphasia Treatment Outcomes. Invited presentation. Speaking Out Convention, National Aphasia Association (NAA), Orlando, FL.

Wallace, G. 2004. Life Beyond Stroke: Report of Functional Outcomes/Quality of Life Data. Invited paper. Neurology and Neurosurgery Section, NMA Convention, San Diego, CA.

Wallace, G. 2003. Enhancing Aphasia Profiling Using the ICF-based RAINBO Assessment System. Short course sponsored by the NBASLH Neurogenics Special Interest Group (NSIG), NBASLH Convention, Birmingham, AL.

Wallace, G. 2003. Foundation for Motor Speech Disorders for the Otolaryngologist. Short course for ENT Residents. Tripler Medical Center, Honolulu, HI.

Wallace, G. 2003. Foundations in Adult Aphasia for the Otolaryngologist. Short course for ENT Residents. Tripler Medical Center, Honolulu, HI.

Wallace, G. 2003. Functional Outcomes after Stroke and Aphasia. Invited paper presented to the Neurology and Neurosurgery Section. NMA Convention, Philadelphia, PA.

Wallace, G., and the U.C. Neuro-Language Class. 2003. The Power of One. Presented to the U. C. College of Allied Health Faculty, University of Cincinnati, Cincinnati, OH. (*Class service learning project)

Wallace, G. 2003. Aphasia Group Treatment. Poster presented at the OSLHA Convention. Columbus, OH.

Wallace, G. 2003. The State of Neurogenics for Blacks in the Year 2003. Invited paper presented at the NBASLH Convention, Atlanta, GA.

Wallace, G. 2003. Enhancing Aphasia Profiling Using the ICF-based RAINBO Assessment System. Short course presented at the Mississippi Speech-Language and Hearing Association, Fall Conference, Jackson, MISS.

Wallace, G. 2003. Enhancing Functional Outcomes after Aphasia Using the ICF-based RAINBO Assessment System. Invited short course. NBASLH Convention, Atlanta, GA.

Wallace, G., Berninger, L., Lucas, J., Sparks, S., Sansbury, M., and Upite, K. 2003. Enhancing Aphasia Awareness Among the General Public: the Cincinnati model, poster session, ASHA Convention, Atlanta, GA.

Wallace, G. 2002. Enhancing Aphasia Profiling Using the ICF-based Reliable Assessment Inventory of Neuro-Behavioral Organization (RAINBO) System. Invited paper presented at the 10th International Aphasia Conference, Brisbane, Australia.

Wallace, G. A.P.H.A.S.I.A. (All People Have a Say...If Accommodated) Group. Poster presented at the 10th International Aphasia Conference, Brisbane, Australia.

Wallace, G. 2002. Communication Partnering Between Physician and Patient. Invited paper presented to the Neurology/Neurosurgery Section, NMA Convention.

Wallace, G. 2001. ICIDH-2 Aphasia Profiling Using the Reliable Assessment Inventory of Neuro-Behavioral Organization (RAINBO). Invited paper presented to the Neurology and Neurosurgery Section, NMA Convention, Nashville, TN.

Wallace, G. 2001. The Reliable Assessment Inventory of Neuro-Behavioral Organization. Miniseminar presented at the ASHA Convention, New Orleans, LA.

Threats, T., **and Wallace, G.** 2001. International Classification of Functioning, Disability, and Health. Miniseminar, ASHA Convention, New Orleans, LA.

Wallace, G. 2001. Health and Diversity Issues Relating to Communication Sciences and Disorders. Keynote Dr. Lynda Campbell Symposium Speaker. Two day symposium. St. Louis University, St. Louis, MO.

Wallace, G. 2000. Measuring and Enhancing Functional Outcomes: Quality of Life for African American Stroke Survivors. Invited paper presented to the Neurology and Neurosurgery section. NMA Convention, Washington, D.C.

Wallace, G. 2000. The Reliable Assessment Inventory of Neuro-Behavioral Organization (RAINBO) and the RAINBO-BAPS (Body, Activities, and Participation Screening): Practical Applications of the ICIDH-2. Invited expert witness testimony presented to the World Health Organization, Washington, D.C.

Wallace, G. and Threats. 2000. Aphasia Functional Outcomes Using the WHO participation model (and the RAINBO). Poster session presented at the ASHA Convention, Washington. D.C.

Wallace, G. 2000. The Reliable Assessment Inventory of Neuro-Behavioral Organization (RAINBO) and the RAINBO-BAPS (Body, Activities, and Participation Screening): practical applications of the ICIDH-2. Invited expert witness testimony presented to the World Health Organization, Washington, D.C.

Wallace, G. and Threats, T. 2000 Functional Outcomes Using the World Health Organization's (WHO) Participation Model. Miniseminar. NBASLH Convention, Jackson, MISS.

Wallace, G., and Threats, T. 2000. Functional Outcomes Using the World Health Organization's (WHO) Participation Model. Miniseminar. NBASLH Convention, Jackson, MISS.

Threats, T., and Wallace, G. 2000. The Revised WHO Model of Functioning and Disability. 90 minute Miniseminar. ASHA Convention, Washington, D.C.

Wallace, G., Fairley-Harris, D., and Withers, B. 2000. Career Concerns of African American Medical Speech Pathologists: Issues/Prospects. Miniseminar, NBASLH Convention, St Louis, MO.

- Fairley-Harris, D., and Wallace, G.** 2000. Incidence of Crack Cocaine Related Strokes in a Major Cincinnati Hospital. Technical paper, NBASLH Convention, St. Louis, MO.
- Wallace, G.,** 2000. An Inclusion Approach to the Management of Adult Aphasia for the 21st Century. Invited Workshop, NBASLH Convention, St. Louis, MO.
- Lyons, J., Vickers, C., and Wallace, G.** 1999. Continuum of Care for Aphasia: Long-Term Management Phase. Invited ASHA sponsored telephone seminar.
- Wallace, G.** 1999. An Inclusion Approach to Stroke Rehabilitation for the 21st Century. Invited all day workshop presented at the New York Speech-Language and Hearing Association Convention, Syracuse, NY.
- Battle, D., and Wallace, G.** 1999. Multiculturalism and Diversity: How Far Have We Come and Where are We Going? Invited panel discussion presented at the New York State Speech-Language and Hearing Association (NYSLHA) Convention, Syracuse, NY.
- Wallace, G.** 1999. The Reliable Assessment Inventory of Neuro-Behavioral Organization (RAINBO). Invited presentation at the World Health Organization (WHO) Collaborating Centre for the Classification of Disease for North America 6th Annual NACC Meeting on ICDH, Vancouver, British Columbia.
- Wallace, G.** 1999. Enhancing Communication Among Health Care Professionals and People with Severe Aphasia: Unmasking Communicative Competence. Invited paper presented to the Neurology/Neurosurgery, and Physical Medicine and Rehabilitation Sections, NMA Convention, Los Vegas, NE.
- Wallace, G.,** and Kesterman, M. 1999. International Rehabilitation Needs and Services: The South Africa Experience. Paper presented at the 1999 U.C. Worldfest, Cincinnati, OH.
- Wallace, G.** 1999. An inclusion Approach to Aphasia Rehabilitation for the 21st Century. Miniseminar, NBASLH Convention, St. Louis, MO.
- Wallace, G.** 1998. Dysphagia Management: What Every Physician Should Know. Invited presentation to the Physical Medicine and Rehabilitation Section, NMA Convention.
- Wallace, G.** 1998. Functional Outcomes After Aphasia Among African American Stroke Survivors: Evidence Based on the Reliable Assessment Inventory of Neuro-Behavioral Organization (RAINBO). Invited paper presented to the Physical Medicine and Rehabilitation Section of the NMA, National Medical Association Convention, New Orleans, LA.
- Wallace, G.** 1998. The Reliable Assessment Inventory of Neuro-Behavioral Organization (RAINBO): An Inclusion Approach to the Assessment of Aphasic Adults. Paper presented at the 8th International Aphasiology Conference in Kwa Maritane Pilanesburg, South Africa.
- Kesterman, M., and Wallace, G.** 1998. Neurogenics Rehabilitation Services and Needs: An International Perspective. Poster session presentation at the 8th International Aphasiology Conference in Kwa Maritane Pilanesburg National Park, South Africa.
- Kesterman, M., and Wallace, G.** 1998. Globalization: A perspective on International Neurogenics Rehabilitation Needs and Services. Poster presentation, ASHA Convention, San Antonio, TX.
- Wallace, G.** 1998. Multicultural Neurogenics: An Inclusion Approach to the Clinical Management of Adult Cases. Invited workshop presented to the S. Carolina Speech-Language and Hearing Association (SCSLHA), Charleston, SC.

Wallace, G. 1998. Measuring Communication Ability in Adult Neurogenics Cases. Invited workshop presented to the SCSLHA, Charleston, SC.

Wallace, G. Multicultural Neurogenics: An Inclusion Approach to the Clinical Management of Adult Neurogenics Cases. Invited all-day workshop presented at the Connecticut Speech-Language-Hearing Association Convention.

Wallace, G. 1998. Caring for Communication: A Progressive Approach for Enhancing the Functional Communication for Aphasic Individuals. Invited presentation at the Southwestern Ohio Speech- Language-Hearing Association (SWOSHA) meeting, Cincinnati, OH.

Wallace, G. 1998. Invited cracker barrel presentation – on current neurogenics topic, presented to SWOSHA, Cincinnati, OH.

Fairley-Harris, D, and **Wallace, G.** 1998. Dysphagia Management in Nursing Homes: The Importance of Team Collaboration. Paper presented at the NBASLH Convention, Washington, D.C.

Brown-Bell, A., and **Wallace, G.** 1998. Lestress: A Practical Program to Reduce Stress in Your Life. Paper presented at the NBASLH Convention, Washington, D.C.

Wallace, G. 1997. The Reliable Assessment Inventory of Neuro-Behavioral Organization (RAINBO): Assessing the Stroke Rehabilitation Needs of Minority Populations. Invited paper presented to the Physical Medicine and Rehabilitation Section, NMA Convention, Honolulu, HI.

Collins, K., and **Wallace, G.** 1997. Conversational Discourse and Adult Aphasia. Miniseminar presented at the ASHA Convention.

Collins, K., and **Wallace, G.** 1997. Investigation of the Use of Communication Acts by Aphasic Adults. Clinical Aphasiology Conference (CAC).

Wallace, G., Cole, T., Fairley, D., Maiden, J., Nunn, S., Terry, A., and Redden, E. 1997. Embracing Healthy Lifestyles for the Prevention of Stroke. Miniseminar, NBASLH Convention.

Wallace, G., Hughs, C., Paige, S., Sangster, A., and Tebe, L. 1997. Action Agenda 2000 and Clinical Preparedness for the 21st Century. Miniseminar, NBASLH Convention.

Wallace, G., Fairley, D., and Harris, A. 1997. Marketing Speech-language Pathology to Young African American Students. **Technical paper, NBASLH Convention.**

Wallace, G. 1996. Improving Clinical Services to Neurologically Impaired Adults from Culturally and Linguistically Diverse Backgrounds. Invited teleconference, American Speech-Language and Hearing Association (ASHA).

Wallace, G. 1996. Invited presentation on current topics in neurogenics, Physiatry Section of the National Medical Association NMA. NMA Annual Convention, Chicago, Ill.

Fain, M., Harris, J., Davis-McFarland, E., Moss, S., and **Wallace, G.** 1996. Embarking on the 21st Century: Implications for Neurogenic communication Disorders in Multicultural Populations. A presentation at the National Black-Speech-Language-Hearing Association, Milwaukee, WI.

Wallace, G. 1995 Prevention of Stroke and Aphasia in the African American Community. Poster session, ASHA Convention, Orlando, FL.

Wallace, G., Tilo, J., and Wilson, M. 1995. Programming for Partnership: Speech-Language Services in Amerika Samoa. Poster session, ASHA Convention, Orlando, FL.

- Bland, L., **Wallace, G.**, et al. 1995. Language Development in African American Toddlers Prenatally Exposed to Cocaine. Miniseminar. ASHA Convention, Orlando, FL.
- Wallace, G.** 1995. Writing a Winning Presentation. Two-part invited miniseminar. NBASLH Convention. Vienna, VA.
- Wallace, G.** 1995. Multicultural Neurogenics. Invited presentation at ASHA's Multicultural Institute, Chicago, ILL.
- Wallace, G.** 1995. Stroke and Traumatic Brain Injury in African American Populations: Clinical Considerations. Invited presentation at the ASHA Sea Island Conference, Sea Island, GA.
- Wallace, G.**, Fain, M., Friedlander, R., Reyes, B., and Moss, S., and Spelman, S. 1994. Management of Neurologically-based Communication Impairments Among Culturally and Linguistically Diverse Populations (Part I and Part II). Two invited miniseminars. ASHA Convention, New Orleans, La.
- Bruce, K., and **Wallace, G.** 1994. Effects of Prenatal Cocaine Exposure on Communication Skills. Poster Session. ASHA Convention, New Orleans, LA.
- Wallace, G.** 1994. Key Note Speaker, Colorado Speech-Language-Hearing Association (CSLPA) Convention, Denver, CO.
- Wallace, G.** 1994. Neurogenic Communication Disorders Among Culturally and Linguistically Diverse Populations (Workshop Part I). Invited miniseminar. CSLHA Convention. Denver, CO.
- Wallace, G.** 1994. Management of Neurogenic Communication Disorders Among Culturally and Linguistically Diverse Populations (Workshop Part II). Invited miniseminar. CSLHA Convention, Denver, CO.
- Wallace, G.** 1994. Current Clinical Issues in the Area of Traumatic Brain Injury. Invited Round Table Discussion Leader. CSLHA Convention, Denver, CO.
- Wallace, G.** 1994. Rehabilitation of Stroke and Traumatic Brain Injury in the African American Population. Invited paper. Physical Medicine and Rehabilitation Section, NMA Convention.
- Wallace, G.** 1994. Rehabilitation of Stroke and Traumatic Brain Injury in Pacific Island Populations: Clinical Considerations. Two invited workshops, American Speech-Language-Hearing Association, Maui, HI.
- Wallace, G.** 1994. Assessment and Treatment of Cognitive-Linguistic Deficits Resulting from Traumatic Brain Injury. Invited presentation. Rehabilitation Hospital of the Pacific, Honolulu, HI.
- Tucker, F., **Wallace, G.**, and Huber, K. 1994. Control of Auditory Stimulus Variables During Positron Emission Tomography (PET). Poster session, Tennessee Speech-Language-Hearing Association Convention, Gatlinburg, TN.
- Wallace, G.** 1994. Management of Neurogenic Communication Disorders in Culturally and Linguistically Diverse Populations. Invited workshop. Sea Island Conference, sponsored by ASHA, Sea Island, GA.
- Wallace, G.** 1994. Recruitment and Retention of Diverse Students and Professionals. Invited Workshop. Sea Island Conference, sponsored by ASHA, Sea Island, GA.
- Wallace, G.** 1993. Rehabilitation for Patients with Neurogenic Communication Disorders. Invited panel discussant. U.S. Public Health Service, Rehabilitation Conference, Atlanta, GA.
- Tucker, F., **Wallace, G.**, and Hubner, K. 1993. Control of Auditory Stimulus Variables During Positron Emission Tomography (PET). Poster session presented at the ASHA Convention, Los Angeles, CA.

Wallace, G., 1993. Speech-Language Rehabilitation Services in Amerika Samoa: Programming for Partnership. Invited Symposium and poster session presenter at the First USCIR Rehabilitation International Symposium, Atlanta, GA.

Woods, D., **Wallace, G.,** et al. 1993. Fifteen Years of an International Project: What Does it Mean to be an Internationalist in Rehabilitation. Invited symposium presenter and invited poster session presenter. First USCIR Rehabilitation International Symposium, Atlanta, GA.

Tucker, F., **Wallace, G.,** and Hubner, K. 1993. Control of Auditory Stimulus Variables During Positron Emission Tomography (PET). Technical session presented at the Missouri Speech-Language-Hearing **Association, St. Louis, MI.**

Wallace, G. 1993. CVA and TBI in Amerika Samoa: Rehabilitation Needs and Services. Miniseminar, ASHA Convention, San Antonio, TX.

Wallace, G. 1992. Illegal and Prescribed Drugs Associated with Neurologically-based Communication Impairment: Part I- Assessment and Treatment of Communication Impairments Secondary to Substance Abuse. Part II – Drug/Alcohol Prenatally Exposed Infants and Children Assessment and Intervention Approaches. Invited presenter for Teleconference workshop, sponsored by ASHA and NBASLH, Chicago, ILL.

Wallace, G. 1992. Strategies to facilitate learning for children who have been Drug Exposed. Invited presentation at the Knoxville Public Schools Drug Conference, Knoxville, TN.

Wallace, G. 1992. Diversity Issues in Adult Neurogenic Populations. Invited technical paper presented to the NIH-NIDCD Conference on Research and Research Training Needs of Minority Persons and Minority Health Issues: The NIH, Bethesda, MD.

Wallace, G. 1992. Crack Cocaine Use During Pregnancy and Risks for Developmental Disability. Invited short course. Massachusetts State Speech-Language-Hearing Association Convention.

Wallace, G. 1992. Neurological Communication Impairment and the Multicultural Community. Invited miniseminar. Massachusetts State Speech-Language-Hearing Association Convention.

Wallace, G. 1992. Risks for Developmental Delay after Prenatal Exposure to Crack Cocaine. Invited presentation at the University of Tennessee Speech-Language-Hearing Annual Symposium, Knoxville, TN.

Wallace, G. 1991. Understanding African American Culture and Language: A Necessary Prerequisite to Effective Student Recruiting, Faculty Retention, and Clinical Intervention. Invited short course presentation at the Hunter College Multicultural Conference, New York, NY.

Wallace, G. 1991. Neurological Impairment Among African American Adults: Clinical Implications for Speech Language Pathologists. Invited short course presentation at the Hunter College Multicultural Conference, New York, NY.

Wallace, G. 1991. Risk Factors and Clinical Management of Infants Exposed to Crack-Cocaine. Invited two-day workshop presenter at the NBASLH Convention, Los Angeles, CA.

Wallace, G. 1991. Management of Adults from the Multicultural Community Who Have Neurological Communication Impairments. Invited three-hour short course, presented at the New York State Speech Language and Hearing Convention, New York, NY.

Wallace, G. 1991. Invited discussant leader for round table discussion on topic of “adult aphasia,” New York State Speech-Language and Hearing Convention, New York, NY.

- Wallace, G.** 1991. Neurological Communication Disorders and the Multicultural Community: Clinical implications. Invited miniseminar. Tennessee Speech-Language and Hearing Association (TSLHA) Convention, Nashville, TN.
- Wallace, G.** 1991. Assessing Comprehension and Limb Praxis in Severe Aphasia. Miniseminar. TSLHA Convention, Nashville, TN.
- Mezler, D., **Wallace, G.**, Fain, M., Vasai Tilo, J., and Wallace, T. 1991. Assessing Speech and Language in School-Age Samoan Children. Technical Session, TSLHA Convention, Nashville, TN.

- Fain, M., **Wallace, G.**, and Vasai Tilo, J. 1991. Conducting Speech-Language Pathology Research in American Samoa. Technical Session. Society for Applied Anthropology (SFAA) Convention, Charleston, SC.
- Metzler, D., and **Wallace, G.** 1991. Speech and Language Screening of School-age Children in American Samoa. Technical Session. SFAA Annual Convention, Charleston, SC.
- Wallace, G.** 1991. Stroke, Head Injury, and Rehabilitation Services in American Samoa. Technical Session. SFAA Annual Convention, Charleston, SC.
- Wallace, T., and **Wallace, G.** 1991. Hearing Screening of School-age Children in American Samoa. Technical Session. SFAA Annual Convention, Charleston, SC.
- Wallace, G.** 1991. Cortical and Subcortical Influences in Language Recovery in Severely Aphasic Individuals. Bi-monthly Scientific Seminar of the Biomedical Imaging center, University of Tennessee, Knoxville, TN.
- Wallace, G.** 1991. Effects of Prenatal Exposure to Crack-cocaine on the Development of Speech and Language. Invited conference faculty member and workshop presenter for the Substance Abuse and Pregnancy: Children Deserve Better Conference, Sponsored by Operation PAR, Inc., St. Petersburg, FL.
- Wallace, G.** 1991. Neurological Effects of Crack Cocaine and Risks for Speech and Language Impairment Among Children with Prenatal Exposure. Invited presentation at the At-Risk-Child Conference, Sponsored by San Jose State University, San Jose, CA.
- Wallace, G.** 1991. Infusing Multicultural Neurogenics into the Curriculum. Invited presentation at the ASHA Multicultural Conference, Sea Island, GA.
- Wallace, G.** 1990. Risk Factors for Speech and Language Impairment Among Children with Prenatal Exposure to Crack Cocaine. Paper presented at the "Challenge of the 90s: Children at Risk" Parent and Risk Conference. Sponsored by the National Association for Perinatal Addiction Research and Education (NAPARE).
- Wallace, G.** 1990. Risk Factors and Developmental Assessment of Infants with Prenatal Exposure to Crack Cocaine. (one of three) Invited workshop presentations on the Effects of Drug and Alcohol Abuse at the Development of Speech-Language Learning in Infants and Children's Conference, Sponsored by NBASLH and ASHA.
- Wallace, G.** 1990. Treatment Programs and Treatment Techniques for the Addicted Mother and Cocaine Exposed Infant: Team Models that Work. (One of three) Invited workshop presentations at the Effects of Drug and Alcohol Abuse on the Development of Speech-Language Learning in Infants and Children's Conference. Sponsored by NBASLH and ASHA.

Wallace, G. 1990. The Missing Link: Speech-Language and Audiological Services as an Important Component of Clinical Treatment. (One of three) Invited workshop presentations at the Infants and Children's Conference. Sponsored by NBASLH and ASHA.

Wallace, G. Metzler, D., Vasai Tilo, J., Wallace, C., and Fain, M. 1990. Conducting Research in Rural Settings: The Summer 1000 Studies in American Samoa. Colloquium presentation. University of Tennessee, Dept. of Communication Sciences and Disorders, Knoxville, TN.

Wallace, G. 1990. Infusing Multicultural Neurogenics into the Traditional Curriculum. Invited presentation at the ASHA Multicultural Conference, Los Angeles, CA.

Wallace, G. 1990. Rehabilitation Services for African American Adults with Neurological Impairment. Invited presentation to the State of Tennessee Dept. of Mental Health, Research Collaboration Committee, Knoxville, TN.

Wallace, G., and Cloud, S. 1990. Management of Bilingual/Bicultural Neurologically Impaired Adults: A Clinical Model. Poster Session. NBASLH Convention, New Orleans, LA.

Wallace, G., and Bridges, S. 1990. Acquired Neurological Impairment Among African American Adults and Children. Miniseminar presented at the NBASLH Convention, New Orleans, LA.

Wallace, G., and Bridges, S. 1990. Neurological Communication Impairment and African American Adults. Invited miniseminar. Communication disorders Among Minority Populations Conference, sponsored by the NBASLH, Jackson State University, Jackson, MISS.

Wallace, G. 1988. Incidence of Neurological Impairment Among Low-Socioeconomic Nursing Home Residents. Technical Session, ASHA Convention.

Wallace, G. 1988. Structure and Function of the Oral Peripheral Mechanism in Aging Individuals. Technical paper, Michigan University-based Research Conference. Michigan State University, East Lansing, Mi.

Wallace, G. 1988. Incidence of Neurological Impairment Among Low-Socioeconomic Nursing Home Residents. Poster session. Michigan University-Based Research on Aging Conference, East Lansing, MI.

Wallace, G. 1988. Team Management of Stroke Patients. Workshops and Home Visit Demonstrations Presented to Health Care Professionals in Pago Pago, American Samoa. Invited Team Member, University of Hawaii School of Medicine/Public Health Care Team.

Wallace, G. 1988. Comprehension in Severe Aphasia. Invited colloquium presentation. University of Washington, Seattle, WASH.

Wallace G, 1987. Islands of Preserved Auditory Comprehension in Severely Aphasic Individuals. Technical Session. ASHA Convention.
