

REZA TAHERI, PHARM.D, MBA

Professor and Associate Dean,
Professional Affairs and Student Success

Chapman University
School of Pharmacy

9401 Jeronimo Road | Irvine, CA 92618 | 714.516.5488

EDUCATION

University of Southern California, Marshall School of Business <i>Executive Master of Business Administration (E-MBA)</i>	2009-2011
University of Minnesota, College of Pharmacy <i>Post-Doctoral Fellowship, Cardiovascular Pharmacotherapy</i>	1998-2000
University of Minnesota, College of Pharmacy <i>Doctor of Pharmacy (Magna Cum Laude)</i>	1994-1998
University of Minnesota, College of Liberal Arts <i>Bachelor of Arts, Microbiology</i>	1990-1994

TRAINING

Accreditation Council for Pharmacy Education (ACPE) <i>Site Evaluator Training</i>	2009
American Association of Colleges of Pharmacy (AACP) <i>Academic Leadership Fellows Program (ALFP)</i>	2008-2009
University of Chicago, Booth School of Business <i>High Performance Leadership Certificate Program</i>	2008

LICENSURE AND CERTIFICATION

Multi-Health Systems, Toronto, Canada <i>Certified Emotional Intelligence Coach</i>	2017-Present
California Board of Pharmacy <i>Registered Pharmacist—License No. 53167</i>	2002-Present
Minnesota Board of Pharmacy <i>Registered Pharmacist—License No. 116592-8</i>	1997-2008

ACADEMIC APPOINTMENTS

Chapman University, School of Pharmacy
*Professor and Associate Dean of
Professional Affairs and Student Success*

Feb. 2020 – Present

West Coast University, School of Pharmacy
Dean

Apr. 2016 – Jan. 2019

Interim Dean

May – Dec. 2013
Jan. – Apr. 2016

- As Interim Dean:
 - Led the School in development and maturation of mission, goals, and strategic plan.
 - Facilitated the School's ACPE accreditation application.
 - Set the strategic direction of the program in alignment with the University and School vision and mission.
 - Successfully lobbied the University President to develop and offer over \$340,000 in scholarships to attract underrepresented students to the program.
- As Dean:
 - Led the School through its first comprehensive self-study for the purposes of transitioning from candidate to full accreditation.
 - Led the team in achieving full accreditation on time.
 - Streamlined School's organizational structure and staffing model.
 - Maximized on the existing internal talent and recruited externally to create a solid gender diversified leadership team.
 - Developed partnership with a College of Medicine at another University to implement a robust Interprofessional Education (IPE) program.
 - Created a positive and collaborative culture that was:
 - Observed and praised by ACPE.
 - Highlighted by preceptors in their meeting with ACPE visiting team.
 - Reflected on faculty survey results and 360 evaluation of the leadership team.
 - Appreciated by students and reflected on student survey results.
 - Empowered the faculty and leadership team to maximize their potential in their respective roles.
 - Adjusted and aligned the budget with the program needs.
 - Managed all aspects of human capital of the school.
- In both roles:
 - Represented the School to both internal and external stakeholders.
 - Represented the School on University wide councils and committees.
 - Expanded the network of relationship with regional and national thought leaders in the field of pharmacy and pharmacy education.
 - Increased visibility of West Coast University School of Pharmacy at regional and national level.

West Coast University, School of Pharmacy
Associate Dean, Academic Affairs and Instructional Effectiveness

Dec. 2011 – Apr. 2016

- Led the School's curriculum design, development, and implementation.
- Spearheaded the School's curricular and overall programmatic assessment initiatives.
- Provided direction and focus for interprofessional education (IPE) opportunities.
 - Engaged University leadership in providing context, role, and value for IPE.
 - Efforts led to the development of University Interprofessional Education Committee.
 - Collaborated with other program leaders in identifying, designing, and implementing IPE framework and learning opportunities for students.
- Provided support, guidance, and focus for faculty in their research & teaching endeavors.
- Led accreditation processes and reviews as it relates to curriculum and program compliance by external and internal stakeholders.
- Participated in the ongoing systematic development, implementation, and evaluation of School of Pharmacy
- In collaboration with the rest of leadership team, ensured pharmacy program complies with the State Board of Pharmacy, Western Association of Schools and Colleges (WASC), and Accreditation Council for Pharmacy Education (ACPE).
- Assured quality outcomes across the curriculum.
- Provided support and mentorship for Department Chairs and Assistant Dean of Experiential Education.

Loma Linda University, School of Pharmacy

Associate Professor and Chair, Pharmacotherapy and Outcomes Science Dept.

2007 – 2011

- Established the vision and set strategic direction and focus for the department.
- Led and managed a large and diverse group of faculty and staff.
- Served as the primary advocate and spokesperson for department faculty, staff, and students.
- Led the School of Pharmacy in development of a five-year strategic plan (2010-2014).
- Collaborated with the School of Medicine to develop interprofessional learning opportunities at the University's Simulation Center.
- Proposed and administered department's budget.
- Designed, developed, and implemented programs and initiatives to achieve research, educational, and clinical mission of the department.
- Played a key leadership role in School's programmatic accreditation efforts which resulted in successful attainment of full accreditation by ACPE.
- Provided mentorship, direction, and focus for faculty research, teaching, and service engagements.
- Served as department's primary spokespersons to all external constituencies and stakeholders.
- Expanded the school's residency program from one to five residents annually.
- Designed, developed, and implemented a "Teaching Certificate" program for the residency.
- Established a school-wide faculty mentorship process and tracking system.
- Developed and implemented a systematic faculty evaluation and feedback process for the department, which was later, adopted by the other department.
- Identified, developed, and matured eleven (11) practice sites for clinical faculty placements.
- Recruited three senior level faculty members, with combined 42 years of academic experience, to provide additional mentorship opportunity for junior faculty.
- Secured \$30,000 per year departmental funding for faculty research.
- Assisted the Experiential Division in:
 - Securing additional 115 affiliation agreements (total practice sites: 382).
 - Identifying speakers for on-campus preceptor conferences.
 - Diversifying preceptor development strategies.
 - Fine-tuning IPPE instructional model and assessment metrics.

Loma Linda University, School of Pharmacy

Associate Professor and Director, Division of Experiential Education

2006 – 2007

- Established vision and direction for experiential education.
- Developed and implemented a comprehensive Introductory Pharmacy Practice Experience (IPPE) program which played a pivotal role in successful ACPE accreditation application.
- Expanded experiential affiliation agreements from 11 to 40, resulting in more than 150 distinct practice sites.
- Developed, nurtured, managed and assessed a full complement of experiential sites and preceptors to support the experiential curriculum.
- Provided continual review and improvement of processes and outcomes to ensure sustained excellence of the experiential education program.
- Established and implemented preceptor development initiatives to ensure delivery of a high quality experiential program.
- Developed and implemented standard syllabi for all core required Advanced Pharmacy Practice Experiences (APPE).
- Developed an evaluation rubric for both IPPEs and APPEs.
- Served as the primary preceptor and mentor for students and residents on cardiology rotations.

Loma Linda University, School of Pharmacy

Adjunct Clinical Assistant Professor of Pharmacy Practice

2004 – 2006

- Coordinated and delivered a course titled, “Cardiovascular Diseases”.
- Served as a consultant to the school.

Loma Linda University, Schools of Pharmacy and Medicine

Assistant Professor of Pharmacy Practice / Assistant Professor of Medicine

2003 – 2004

- Coordinated & delivered cardiology courses in Schools of Pharmacy & Medicine.
- Maintained a cardiology practice (Coronary Care Unit and Lipid Clinic).
- Served as the primary preceptor and mentor for students and residents on cardiology rotations.
- Engaged in scholarly activities in the areas of cardiology and education.
- Participated in service activities.

Western University of Health Sciences, College of Pharmacy

Assistant Professor of Pharmacy Practice

2000 – 2003

- Coordinated & delivered cardiology courses in College of Pharmacy.
- Maintained a cardiology practice (Coronary Care Unit and Lipid Clinic).
- Served as the primary preceptor and mentor for students and residents on cardiology rotations.
- Engaged in scholarly activities in the areas of cardiology and education.
- Participated in service activities.

OTHER PROFESSIONAL POSITIONS

RxPrep

Chief Strategy Officer

2019– 2020

- Established vision and strategic direction for growth of products and services.
- Streamlined organizational structure and functioning.
- Enhanced alignment across departments.
- Built internal operations controls as well as policies and procedures.

- Managed human resource evaluation and training.
- Collaborated with CEO to devise effective short- and long-term plans.

Cardinal Health—Los Angeles County Account

Director, Strategic Accounts Operations

2011

- Managed a multimillion-dollar project with Los Angeles County, Department of Health Services.
- Managed a ten member staff operating across the county facilities.
- Developed and implemented a therapeutic optimization program across the county facilities.
- Assisted the county facilities in optimizing inventory management.
- Maximized customer benefit and satisfaction through a matrix collaborative approach with sales, marketing, and analytics divisions.

Bristol Myers-Squibb

Cardiovascular / Metabolics Medical Science Manager

2005 – 2006

- Identified and developed relationships with national and regional opinion leaders.
- Served as a liaison for opinion leaders to align interests, discuss research and medical information, and facilitate the conduct of research.
- Provided scientific, clinical, and educational support for internal and external clients.
- Represented the company at scientific symposia, medical meetings, and key continuing education meetings and disseminate findings internally.
- Supported operations by participating in speaker and representative training.
- Engaged stakeholders in scientific exchange about current and emerging therapies.

Abbott Laboratories

Cardiovascular Medical Science Liaison

2004 – 2005

- Developed and maintained professional relationships with nationally and internationally renowned researchers and academic centers in therapeutic areas of interests.
- Identified opportunities in the medical community for Phase III and IV clinical trials.
- Guided investment decisions on investigator initiated trials and early phase clinical trials based on analyses of current market as well as site and researcher capabilities.
- Worked cross-functionally with Medical Affairs, R&D, and Commercial teams to ensure a unified and aligned approach to key strategic initiatives.
- Coordinated Medical Affairs activities and relationships with researchers.
- Conducted round table discussion/ educational programs with regional thought-leaders/ key stakeholders in states of California, Nevada, and Hawaii.
- Served as scientific resource for internal and external stakeholders.

VA Loma Linda Medical Center

Co-Director, Multidisciplinary Lipid Clinic /

Member of a Multidisciplinary Coronary Care Team

2001 – 2004

- Participated in interdisciplinary rounds in the Coronary Care Unit (CCU).
- Performed drug utilization evaluations and ensured optimized therapy for CCU patients.
- Managed patients with complex dyslipidemia based on a referral system.
- Engaged in scholarly activity in the area of dyslipidemia.
- Served as the primary preceptor and mentor for pharmacy students and residents.
- Served as an adjunct mentor for medical students and residents.
- Delivered educational in-services for medical and nursing staff.
- Offered training opportunities for cardiology fellows.

Regions Hospital

*Clinical Pharmacist /**Member of a Multidisciplinary Coronary Care Team*

1998 – 2000

- Reviewed, monitored and managed patients' medication therapy.
- Performed drug utilization evaluations system-wide.
- Participated in interdisciplinary rounds in the Coronary Care Unit (CCU).
- Contributed to review and approval of medications under consideration by the hospital's Pharmacy and Therapeutics (P&T) Committee.
- Served as co-preceptor for students on rotation.

HealthPartners

*Drug Therapy Educator, Pulmonary Rehabilitation Clinic**Consultant, Specialty Lipid Clinic*

1998 – 2000

- Provided individualized drug therapy education to patients with asthma or COPD focused on improving adherence.
- Offered group education for patients with asthma or COPD.
- Served as a drug therapy consultant for the providers managing patients with complex dyslipidemia.

Fairview Southdale Hospital

Staff Pharmacist

1997 – 1998

- Reviewed, monitored and managed patients' medication therapy.
- Performed drug utilization evaluations system-wide.
- Provided medication distributive functions.
- Supervised preparation of compounded products within the hospital pharmacy.

INVITED PRESENTATIONS

ACADEMIC INSTITUTIONS

Keck Graduate Institute, School of Pharmacy American Association of Colleges of Pharmacy Regional Leadership Conference <i>“Leading Forward: Practicing Adaptive Leadership”</i>	August 25, 2017
University of New Mexico, College of Pharmacy Annual Faculty Retreat, Keynote Speaker <i>“Meaningful Curricular Integration: Planning to Implementation”</i>	January 7-8, 2015
Loma Linda University School of Pharmacy Rho Chi Honor Society, Gamma Rho Chapter Annual Meeting <i>“The Road Ahead: Challenge of Pharmacy Education”</i>	May 16, 2010
Loma Linda University Annual Education Conference <i>“Simulation of Guideline Development Committee in Classroom”</i>	February 18, 2008
Loma Linda University Medical Center Cardiology Conference <i>“Role of Beta-Blockers in Patients Hospitalized for Heart Failure”</i>	December 19, 2006
University of California, Irvine <i>“Basics of Chronic Heart Failure Pathophysiology”</i>	May 5, 2005
Loma Linda University Medical Center Cardiology Conference <i>“Combination Therapy in Dyslipidemia: Efficacy Vs. Safety”</i>	October 29, 2003
Loma Linda University Cardiology Fellows Conference <i>“Design and Implementation of a Lipid Clinic”</i>	January 28, 2003
Loma Linda University Medical Center Cardiology Conference <i>“Angiotensin Receptor Blockers: Role in Current Practice”</i>	May 13, 2002

PROFESSIONAL EVENTS & CONFERENCES

Academic Leadership Fellows Program (Cohort 15)—American Association of Colleges of Pharmacy <i>“Leadership Challenge Case”</i>	November 5, 2018
110 th Annual Conference of the American Association of Colleges of Pharmacy <i>“Role of Dossier in the Promotion and Tenure Process”</i>	July 19, 2009

110 th Annual Conference of the American Association of Colleges of Pharmacy <i>“Validity and Reliability of Peer Grading of Essay Questions”</i>	July 18, 2009
108 th Annual Conference of the American Association of Colleges of Pharmacy <i>“Promoting Critical Thinking Skills by Involving Students in a Simulated Guideline Development Process”</i>	July 22, 2007
Kaiser Permanente Preceptor Conference <i>“Assessing and Evaluating Pharmacy Residents in Clinical Practice”</i>	January 18, 2007
American College of Clinical Pharmacy Annual Meeting <i>“Assessment of the VA Loma Linda Healthcare System Lipid Clinic”</i>	October 26, 2004
105 th Annual Conference of the American Association of Colleges of Pharmacy <i>“Evaluation of the Accuracy of Multiple-Choice Questions in Testing Students’ Understanding of Complex Concepts”</i>	July 20, 2004
Arrowhead Regional Medical Center Internal Medicine Conference <i>“Dual Inhibition: Inhibiting Cholesterol Production and Absorption”</i>	June 8, 2004
VA Loma Linda Healthcare System Family Practice Conference <i>“Combination Lipid Modifying Therapy: Isn’t It Time We Felt Comfortable”</i>	January 27, 2004
Arrowhead Regional Medical Center Internal Medicine Conference <i>“Cardiovascular Risk Factors and the Role of Lipid Lowering Therapy”</i>	December 8, 2003
Arrowhead Regional Medical Center Internal Medicine Conference <i>“Dyslipidemia: A Decade of Evidence BUT A Decade Behind in Practice”</i>	September 2, 2003
VA Loma Linda Healthcare System Internal Medicine Conference <i>“Dyslipidemia Management at the VA: Challenges Turned Opportunities”</i>	May 2, 2003
36 th Annual American Society of Health system Pharmacists Meeting <i>“Managing Your Professional Time”</i>	December 11, 2002
California Pharmacists Association Conference <i>“Managing Dyslipidemia”</i>	June 8, 2001
American Society of Health system Pharmacists Meeting <i>“Fourth Generation Time Management”</i>	June 3, 2001
California Society of Health-System Pharmacists Spring Symposium <i>“Lipid Management: From Evidence to Practice”</i>	March 10, 2001
78 th Annual Western Association of Schools and Colleges (WASC) Conference <i>“Assessing the Accuracy of Multiple-Choice Examinations in Testing Students’ Understanding of Multiple Complex Concepts”</i>	April 12, 2001
American College of Clinical Pharmacy Annual Meeting <i>“Assessment of control of Hypercholesterolemia in a Managed Care Setting”</i>	November 7, 2000
American College of Clinical Pharmacy Annual Meeting <i>“Achieving Cholesterol Target In a Managed Care Organization: ACTION Trial”</i>	November 7, 2000
Regions Hospital Cardiology Grand Rounds <i>“Heart Failure Management: A Critical Review of the Role of β-blockers”</i>	April 19, 2000
HealthPartners Research Symposium <i>“The Degree of Control of Hypercholesterolemia in a Managed Care Organization”</i>	November 25, 1999

Regions Hospital Cardiology Grand Rounds

“Percutaneous Coronary Interventions: A Review of the Recent Trials of Glycoprotein IIb/IIIa Inhibitors”

May 5, 1999

Minnesota Medical Association Continuing Medical Education

“Overview of Acute Coronary Syndrome Pathophysiology”

December 3, 1998

HONORS AND AWARDS

American Association of Colleges of Pharmacy

Dean Facilitator Award

Academic Leadership Fellows Program

2018-2019

American Association of Colleges of Pharmacy

Dean Mentor Award

Academic Leadership Fellows Program

2018-2019

American Association of Colleges of Pharmacy

Dean Mentor Award

Academic Leadership Fellows Program

2017-2018

American Association of Colleges of Pharmacy

Wal-Mart Scholar Award (Mentor)

2009

American Association of Colleges of Pharmacy

Wal-Mart Scholar Award (Mentor)

2007

Loma Linda University School of Pharmacy

Preceptor of the Year Award

2006-2007

Loma Linda University School of Pharmacy

Teacher of the Year Award

2003-2004

University of Minnesota College of Pharmacy

Dean’s Honors List

1997-1998

University of Minnesota

Melendy Research Scholarship

1997

University of Minnesota College of Pharmacy

Excellence in Written and Oral Clinical Communication Award

1997

University of Minnesota College of Pharmacy

Patient Counseling Award

1996

University of Minnesota College of Pharmacy

UROP Research Award

1995

University of Minnesota College of Pharmacy

Dean’s Honors List

1994-1995

University of Minnesota

Immunology Research Scholarship

1993-1994

University of Minnesota College of Liberal Arts

Distinguished Student Award

1993-1994

University of Minnesota College of Liberal Arts

Dean’s Honors List

1991-1994
