

One

Emily Nelmda, Grade 8
St. John the Baptist School, Costa Mesa, CA
Teacher: Janice Babcock
Survivor: Ruth Arkiss

My artwork, "One," depicts the moment when Ruth Arkiss and her family entered a bomb shelter. At that time, Jews were not supposed to be protected with Christians, but their neighbors insisted that they stay with them and that they face the dangers as one community. In the same way, all of us face the danger of the Coronavirus pandemic as one human community.
