

PUSHING THROUGH THE PANDEMIC: FROM CHAPMAN'S OWN ENTREPRENEURS

Chapman University Leatherby Center for Entrepreneurship and Business Ethics

The event will be held as a virtual event using Zoom technology on **December 3rd from 3:00pm-5:00pm**. Don't miss it!

We are excited to host a panel discussion with a spotlight on Chapman's very own best in class startups. Learn how they have navigated through these challenging times to keep their business ventures moving forward, pivoting as necessary to enlist new opportunities, scale up their ventures and continue to have momentum in unsettling times.
